

### E-Verify Attestation

U.S. law requires companies to employ only individuals who may legally work in the United States – either U.S. citizens, or foreign citizens who have the necessary authorization. The NEMO WIB supports this diversity. This diverse workforce contributes greatly to the vibrancy and strength of our economy, but that same strength also attracts unauthorized employment.

E-Verify® is an Internet-based system that allows businesses to determine the eligibility of their employees to work in the United States. E-Verify® is fast, free and easy to use – and it's the best way employers can ensure a legal workforce.

The NEMO WIB and any sub-recipient agency must be enrolled and participate in the E-Verify® federal work authorization program with respect to the employees hired after awarding of the RFQ. By signing below the agency agrees that they are either enrolled in the E-Verify® federal work authorization program and are able to provide the necessary documentation upon request or will enroll prior to July 1, 2011 if awarded a contract.
